## React JS Developer

📧 syedqamarabbas949@gmail.com

📍 Islamabad, Pakistan

+923465276393

## SUMMARY

I'm a passionate and motivated React JS developer with 2 years of experience building engaging and dynamic user interfaces. I'm proficient in crafting reusable components, managing state effectively, and adhering to best practices for clean and maintainable code.

## EXPERIENCE

### React Js Front end Developer

#### Jumpi technologies smc pvt limited

📅 2021 - 2023 📍 Islamabad, Pakistan Email: shahid.iqbal@jumpi.app

- **Solid foundational knowledge in React JS:** I understand core concepts like JSX, virtual DOM, state management, and lifecycle methods.
  - **Experience with various libraries and tools:** I've worked with libraries like Redux, React Router, and Material-UI.
  - **Hands-on experience:** I've collaborated on both solo and team projects, tackling challenges across diverse industries.
  - **Commitment to clean code:** I believe in writing modular, readable, and well-documented code for enhanced maintainability.
  - **Continuous learning:** I'm always eager to learn new technologies and stay updated with the latest trends in React development
- Which of your achievements match the job you're applying to?

### Software Projects Manager

#### LEO BRANDS BUIDERS

📅 2020 - 2021 📍 Islamabad, Pakistan

As an IT Specialist, I am responsible for managing website development projects for both Android and iOS platforms. I led a team to ensure that projects were completed on time and to a high standard. I also developed and managed websites to ensure that they were functioning properly and meeting the needs of clients.

- Key Responsibilities:
  - ☑ - Collaborating with clients to understand their needs and requirements for website development projects.
  - ☑ - Developing project plans and timelines to ensure that projects were completed on time.
  - ☑ - Leading a team to ensure that projects were completed to a high standard.
  - ☑ - Developing websites for clients, ensuring that they were functioning properly and meeting the needs of clients.
  - ☑ - Managing websites to ensure that they were up-to-date and functioning properly.
  - ☑ - Troubleshooting issues with websites to ensure that they were running smoothly.
  - ☑ - Staying up-to-date with the latest trends and technologies in website development to ensure that clients received the best possible service.

## EDUCATION

### Bachelor of Science in Computer Science

#### Capital University of Science & Technology

📅 2016 - 2020 📍 Islamabad, Pakistan

## STRENGTHS

### Problem-solving skills

Solved complex coding problems using React and Python resulting in faster application performance.

### Team player

Collaborated with cross-functional teams to develop and deliver high-quality products.

### Attention to detail

Ensured code quality and accuracy through rigorous testing and review processes.

## SKILLS

React Js	JavaScript	SQL	REST API
Python	.Net	C++	AWS

## ACHIEVEMENTS

### Leading a cross-functional team

Successfully led a team of developers, designers, and product managers to deliver a complex web application on time and within budget.

### Contributing to open-source projects

Contributed to several open-source projects, including React and Python libraries, to improve Designs.
